STREETVET

Welcome to #TeamStreetVet

Thank you for choosing to fundraise for StreetVet.

In doing so, you are helping to deliver free essential and emergency veterinary care to the pets of people experiencing homelessness together across the UK. Thank you for believing in the power of the human-animal bond and helping us to keep loyal companions together.

If you need fundraising support, please reach out at fundraising@streetvet.org.uk.

We would love to hear about what you're up to and how your fundraising is going. Please share your pictures and videos with us so we can share them on our socials - you might even get some extra donations from our followers!

Thank you for being part of #TeamStreetVet.

StreetVet Fundraising Page

Once you have created your page, remember to:

Personalise Your Page

You can personalise your page with photos, videos, stories and livestreams. It's really important that you do this, as personalised pages raise more funds. Make sure to keep adding updates to your page about your training - supporters love to see what you're up to!

Connect Your Strava

If you're taking on a sports challenge, remember to connect your Strava account to your fundraising page so that your supporters can follow your training journey!

Share Your Page

Get the word out to friends, family and colleagues by sharing your page on Facebook, Instagram and LinkedIn. Pages that are shared more widely are more likely to hit their fundraising target.

Not sure how to fundraise?
